#### Sri Chaitanya Educational Institutions

High School (XI-XII) May 2019

G.P.A 3.68/4.0

#### Baldwin Boys' High School

High School (IX-X) April 2017

G.P.A 3.56/4.0

### Technical Skills

---

• ReactJS	• HTML	• CSS/SCSS	• JavaScript
• Java	• Android	• MongoDB	• MySQL
• Unix Scripting	• XML	• C/C++	• SQLite

### Certifications

---

• Microsoft Azure Fundamentals AZ-900	June 2021
• Graduate Rotational Internship Program at The Sparks Foundation	November 2021
• LetsGrowMore Virtual Internship Program in Android Development	October 2021
• M001: MongoDB Basics	August 2021

### Projects

---

#### File Explorer App

February 2022

• This app allows you to search all files/folders from one place & secure them using a passcode. You can create files & folders inside the file explorer. There will also be a rich text editor to enter content inside the files and a spotlight search feature for searching your files.

Demo link: <https://festive-jennings-525104.netlify.app>

#### Expense Tracker

January 2022

• Built an android app to track my expense using SQLite database to some save money for the future!

**Food Truck****July 2021**

- Implemented a food ordering delivery app using Java and XML.

**Basic Banking App****September 2021**

- Implemented a banking app using SQLite database with dummy users and easy transactions.
